

Coleford Town Council

Regeneration Committee Monday 5 November 18 Minutes

**Attendees: Cllrs C Elsmore, Penny, Allaway Martin, Thompson
Paula Massey FoDDC**

1. Apologies were noted from Wendy Jackson FoDDC, Brian Watkins GCC Highways & Jay Deakin Tarmac
2. There were no declarations of interest on items on the agenda
3. There were no dispensation requests
4. **To hear the presentation of ideas from UWE students**
Due to an unforeseen situation the students did not attend
The Committee considered the handout from the students and felt that sufficient consultation had taken place under the NDP
5. **To have an update on the action from September 2018 meeting**
Bee friendly planting at the gateways
The clerk to take some advice and get costings for the planting to take place
Electric Charging points
It was suggested that there were several pots of money available for funding but the significant issue is the electrical supply to Railway Carpark which would cost £25k to upgrade, however it was noted that the new Bells Field Recreation ground has the correct electrical supply
